

Thursday, August 13 - Celebrate Academic Life

Venue: Clarence T.C. Ching Conference Center, Eiben Hall

The Celebrate Academic Life event is a non-conference experience of collegial sharing. The celebration will focus on faculty sharing examples of their exemplary teaching, scholarship, or service. The format will be ten concurrent 25-minute interactive sessions of communal learning with conversations centered on the integration of active learning, meaningful scholarship, and community service. Our hope is that each person attending will leave the day with several concrete ideas, which they can add to their academic life in the Fall term.

8:30-9:00am Light Breakfast

9:00am Provost Welcome

Pedagogy/Andragogy
